

JEKYLL-HYDE GIRL GETS ANOTHER CHANCE— SURGEON'S KNIFE MAKES HER GOOD GIRL

Edith Taylor, strange case of dual personality.

Seattle, Wash.—Should a woman of undoubtedly dual personality—the one as good as the other was evil—be sent to the penitentiary for a crime committed by the vicious twin when her better nature apparently has been made permanent by a subsequent surgical miracle?

That is the question which a jury was asked to decide here in the strange case of Edith Taylor, as clear-cut an example of feminine Jekyll-Hyde as ever puzzled the police or psychologists.

The Edith Taylor of today is not the Edith Taylor of several months ago. They are as different as any
